ABOUT SOLA MEDIA

Sola Media serves today's global church by producing resources for reformation grounded in the historic Christian faith.

Our vision is to see reformation in hearts, homes, and churches around the world—so Christians know the good news of justification in Christ alone through faith alone and experience joy in the sufficiency of Christ, confidence in the assurance of salvation, freedom for their callings in the world, and relentless hope in Christ's coming kingdom. *Soli Deo Gloria.*

Since our founding 1990 by Dr. Michael Horton, we have expanded from our original White Horse Inn radio show on KKLA in Los Angeles to a multimedia platform downloaded and distributed millions of times and in over 200 countries.

Our work is rooted in Christ and his gospel as proclaimed in the Scriptures, articulated in the Christian confessions, and summarized in the five Solas of the Protestant Reformation: Scripture alone, by grace alone, through faith alone, through Christ alone, and for God's glory alone.

Through conversational theology, we feature voices from four confessional Christian traditions—Anglicans, Baptists, Lutherans, and Reformed—without minimizing our differences but engaging in respectful dialogue while remaining united around the core truths of the gospel. With this clear focus on the teachings of our Lord Jesus Christ, together, we believe that we can and will see a modern reformation with Christ at the center of our lives and the global church.
